The screenshot shows the website interface for 'Issues & Controversies' by FactsOnFile. At the top, there is a search bar with the text 'Search In-depth Investigations of Today's Top Issues'. Below the search bar, a section titled 'Recent Controversies' features four cards with images and titles: 'Immigration Policy' (Should the U.S. government provide undocumented immigrants a path to citizenship?), 'Militarization of the Police' (Does the use of military equipment and tactics by local police departments make Americans safer?), 'Ebola' (Are urgent measures necessary to prevent an Ebola outbreak in the United States?), and '2014 Midterm Elections' (Should voters elect Republicans to the House and Senate?). Below this section are two buttons: 'Issues by Subject' and 'All Issues A to Z'. The 'All Issues A to Z' button is active. Underneath, a grid of subject categories is displayed, including: Abortion & Reproductive Rights, Affirmative Action, Agriculture & Food Supply, Animal Rights, Arts & Entertainment, Family, Pregnancy, & Children, Foreign Policy, Free Trade, Gambling, Gay Rights, Prisons & Prisoners, Racial Profiling, Religion, Religion in Public Schools, and Right to Die.
